### by the way jenna drey

Composição: *Indisponível*

By the way  
By the way

I love the way you look at me, and everything disappears  
You're all i see, and I could stare at you for a million years  
I've found my happy ending, forever worth defending  
Your heart next to mine, there's no sense of time  
And i know i'm eternally yours

By the way  
By the way I lose my breath, when I hear you say my name  
By the way you run your fingers through my hair, and kiss my face  
By the way you understand, in a way nobody can

I know everything I need to know by the way you love me

The world's so unkind, but in your arms nothing can frighten me  
Inspite of the rain, you give me strength to stand on my feet again  
When life comes crashing around me, your love completely surrounds me  
The hurt melts away, the dark turns to day  
And I know I'm eternally yours

By the way  
By the way I lose my breath, when I hear you say my name  
By the way you run your fingers through my hair and kiss my face
