HDTV Calibration Wizard DVD	ISF CALDSK	123901	\$29.95 ea.	<input type="button" value="LIST DEALERS"/> <input type="button" value="LIST DEALERS"/>

Easily calibrate your TV for the best possible picture with step-by-step instructions from pop star Jenna Drey.

Monster and ISF (Imaging Science Foundation) present this home calibration wizard to take the guesswork out of calibrating your television for optimum contrast, color accuracy, brightness, and more. Instead of hiring an expensive technician to come to your home, let Jenna Drey guide you to the best possible picture with easy-to-understand techniques developed by the world's leading authorities on video calibration. Then enjoy Jenna Drey's new video on your ISF-calibrated TV in WMV HD and 7.1 surround sound.
